## Let's Play With Pinecones

### **Pinecone Bowling**

Let's find 6 pinecones. Let's line up in 3-2-1 formation. Let's knock down the pine cones with a ball from a certain distance.

The whole class forms a circle and sits on the floor. They sit facing the inside of the circle. A child is chosen. This child holds a pine cone in his hand. He walks around the circle singing. At the end of the song, he leaves the pine cone behind a friend and runs away. The child, left behind a pine cone, picks up the pine cone and tries to catch his friend. The running away child tries to sit in the circle without being caught. Original name of the game:

**Yağ Satarım Bal Satarım**
